THROUGH : Director of Administration, DPD-DD/P
SUBJECT : [REDACTED] (Recommendation for Promotion)
REFERENCE : Recommendation for Promotion from Field dated 22 September 1958

1. [REDACTED], GS-9, is employed within the Development Projects Division as an Investigator at our [REDACTED] Site.

2. [REDACTED] is twenty-nine years of age, received a Bachelor of Arts degree from [REDACTED] in 1950, and served with the United States Army from December 1950 to January 1953. He entered on duty with the Agency and DPD-DD/P on 2 April 1956, and after a period of training at Headquarters was assigned to the [REDACTED] Site on 27 April 1956. In August 1956 he was transferred to the overseas' location at [REDACTED], where he served until the closing of that base in November 1957. He was subsequently assigned to the new West Coast [REDACTED] Site. Due to the critical need for single Agent personnel in the 1958 season, [REDACTED] extended his tour for eight months, and recently volunteered to serve on the West Coast at an extremely isolated location through April 1959.

3. [REDACTED] is one of the more stable and mature Investigators on our Staff. He is an extremely sincere, conscientious and dependable employee who has demonstrated excellent supervisory ability. [REDACTED] is an unusually tactful and diplomatic individual, and consequently carries out his many personal contact responsibilities in a very effective manner. He has a natural interest in the administrative area and competently and efficiently handles such functions. It should be further noted that [REDACTED] can be relied upon to perform in an above average fashion at all times.
